INTERNATIONAL BID ROUND TO DEVELOP SEVEN OIL AREAS

The Ministry of Petroleum and Mineral Resources and General Petroleum Corporation (GPC) invite International Petroleum Companies for an international Bid Round in order to complete exploration, development and production of Seven Oil Areas on the base of Production Sharing Contract.

1- This Bid Round includes two groups :

- Group I, consists of: West Tureb, Halima and Dohal oil areas (3 areas).
- Group II, consists of: Jaadeen, Tal-Asfar, Zenati and Al-Haloul oil areas (4 areas).

2- Tender Book includes:

- Basic Contractual and Commercial Conditions.
- Technical Part of the available data for the two Groups.
- PSC Model Agreement (draft).

Interested Bidders shall submit their offers based on the announcement, Basic Contractual and Commercial Conditions and a draft of Production Sharing Model Agreement.

This international Bid Round will be by public announcement and by an invitation for the already qualified companies.

All interested companies by public announcement shall submit the Qualifications Envelop that contains all financial and technical qualifications, and fill the attached Questionnaire Form. Not later than February 18th 2010. The submitted qualification documents will be studied by GPC which shall notify the qualification results to the Bidders after one month of receiving the Qualifications Envelop.

Qualified Bidders shall submit their bids in three sealed envelopes to be put in fourth sealed envelope, at the Closing Date, as follows:

1- SEALED ENVELOPE (A) Shall contain:

- 1- A copy of receipt that proves the purchasing of the Tender Book by the Bidder.
- 2- Bid bond in amount of one hundred thousand EURO (100 000 €) for each Group to be submitted to GPC by irrevocable bank letter of Guarantee to be issued and confirmed by a Syrian bank in favor of GPC, which shall be valid for not less than six (6) months from the Closing Date of the Bid Round and shall be valid for extension for further period if needed.

This bond will be returned to the Bidder Company if its offer has not been accepted.

- 3- Previous experience in petroleum production development & EOR technologies and activities of the Bidder Company all over the world including development projects, reserves and latest used technology.
- 4- Article of Incorporation of the bidder's company, the company's Commercial Registration and recent certified copies of all documents that prove its legal existence as well as the 10 major shareholders if they are more than 100 and their nationalities.
